

Dear Parent / Carer

Our school is to be visited by an Ofsted inspector for Religious Education on Monday, 1st December, 2008. She will observe the morning school assembly, class RE lessons, speak with pupils, parents, Governors and staff about the religious life of the school.

Your comments about what makes our school special and the ways in which your child and possibly even yourself have benefited from the school's pastoral care and christian ethos will be of great interest to the inspector. You may wish to complete it with your child. The inspector will be particularly interested in your comments about my role as the Hedateacher and leader of a Christian community,

I hope you will be able to attend our christingle service at 2.30pm on Monday, 1st December, which will once again set the scene for our preparations for Christmas during Advent.

Thank you for your continued support.

Yours sincerely

SP Harrison
